Rev. Edward M. Hall, Rector

You were not cold riding up to the  
wilderness. We had a cool north west  
wind last night. To-day is lovely.

Good-bye dear Heart. Thanks very  
much for the "notes" in the table drawer.

I looked for a spoon! and behold the notes.  
I am an awful bother to you but I  
do love them. Give my love to mother  
Stevens & Aunt Lucy. Mother sends  
greetings to all. Mountains of love for  
you dear heart - and as deep as the lakes.

Ever faithfully & devotedly  
Edwards.
